Re: Your LDS Fam.Registry Index inquiry, File # 32995, of 28 April 1984.

As noted, in the reference, your inquiry is from 1984. I hope that you have had success in your search.

I am working on a GRIDLEY family genealogy and would like to ask if you would be able to help me.

Your reference was to Alice Voyle RASHLEIGH (1870) daughter of Frank Rashleigh and (?)

There may be a connection with the GRIDLEY family in that Mary D. SEYMOUR (abt 1622 at Sawbridgeworth, Herts, England), who married Thomas GRIDLEY (1612), was the daughter of Richard SEYMOUR and Mercy (or Mary) RASHLEIGH.

There are other listings that show Mary D. SEYMOUR (abt 1622) was the daughter of Robert SEYMOUR and Elizabeth WALLER.

It would be a great help in settling this matter if you have traced the RASHLEIGH family to that point in time and have the answer.

I have been working, since 1988, on a data base, of GRIDLEYS, which now contains over 3,000 entries. A copy of the data base is in the LDS Family History Library at Salt Lake City, Utah. It is to be filmed and distributed to the Family History Centers.

I have also entered in the PAF program files, confirmed GRIDLEY family, over 800 entries.

My computer is an APPLE IIe and the data base program is APPLEWORKS. Just in case we can trade disks.

The LDS Mesa Family History Center will re-open in its new building on May 4th. It should be second to the Family History Library in Salt Lake. It is great to have such a source in my back yard.

Please let me know if I may be of help.

Thank you,
